

Equipment list for the Ranch:

**Cooler, ice chest, Rubbermaid container, or dry box to put the meat in.
If you are taking whole animal to butcher, bring a tarp to place animal on.**

Blocks of ice or bags of ice to keep meat cold.

Ice is available for purchase about 5 miles from the ranch.

**Skinning and quartering is available for a \$25 charge.
Also, the meat can be cut into 15 pieces for an additional \$25 charge.**

**If you choose to, you can skin your own animal
- make sure to bring your knives and bone saw.**

Good boots.

Sunscreen.

Sunglasses and hat.

Binoculars.

Rangefinder (optional).

Camera and/or video camera to capture memories.

**Cooler with plenty of drinks, snacks, and lunch.
There is no drinkable water at the ranch.**

Non-potable water is available in small quantities (for hand washing, etc.)

**Bedding for overnight stays in the bunk house. For overnight stays,
we also recommend flashlights - there is no electricity.**

**Firearms and ammunition. 22s are not allowed for hunting unless accompanied by
a ranch guide. 223 and larger is acceptable. Shotguns with slugs are also ap-
proved. Shooting sticks may be valuable to you.**

22 caliber rifles and handguns are ok to bring for target practice.
